Our Sally Ride Teachers and Staff Thank you!

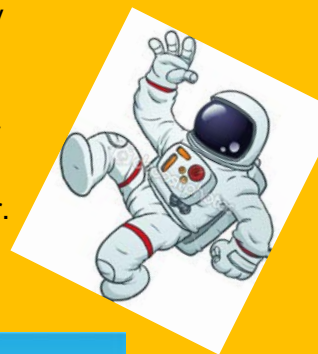

Dear Parents and Families,

This school year ended on a very different note than any other year. We faced many challenges and hurdles along the way, but we want to thank you for being committed and dedicated to your child’s education.

Covid-19 changed all our lives in the blink of an eye without warning or time to plan. However, you joined right in for distance learning, and adjusted your daily routines and home life. You are your child’s first and number one teacher and without your involvement and participation, their success wouldn’t be possible. Parent and Family Involvement is key to connecting family and school together for higher academic achievement in every child’s life. We are so proud of all you’ve done this year to help your child finish strong. We are all in this together.

Sincerely,

Your Sally Ride Teachers & Staff Members.

A SNAPSHOT OF THE LAST MONTH:

Picture 1: Our students drew pictures and make artwork to celebrate Sally Ride Day and Ms. Pam showed her school spirit by posing for a photo with our very own school mascot, Sally Ride! Picture 2: With the current situation, we couldn't do our traditional 5th grade Bridge ceremony for the 5th grade students so, the 5th grade teachers and our staff members showed the love by honoring the students with a "Drive Through Bridge Ceremony." It was a terrific day and a memorable way to wish parents and families good luck on their next educational journey. Picture 3. Mr. McClish shared student's artwork through a Virtual Art Show slide. Congratulations to the winners and amazing job to everyone who submitted.

Thank You to all Stakeholders for supporting SRE!
